## HOPE IN ACTION: CHANGING LIVES ACROSS ALABAMA & THE FLORIDA PANHANDLE

In 2025, Embrace Alabama/Florida Kids made a tangible difference in the lives of thousands of children, teens and families. Through our programs in family preservation, foster care and school readiness, children who faced hardship found safety, stability and caring support, while families received the guidance and resources needed to thrive.

This year was one of growth, healing and opportunity. Children found homes that embraced them, families strengthened their bonds and young adults received support to pursue education and independence. Thanks to the dedication of our team and the generosity of our partners and donors, 2025 was a year of renewed hope and lasting impact for the children and families we serve.

"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."

— Ephesians 2:10
